Plant Science – The Land Pavilion at Epcot®

Develop new skills in your area of expertise, broaden your knowledge base, and enhance your communication and guest service abilities while working for one of the most recognized and respected companies in the world. The Plant Science Disney Professional Internship is designed to provide qualified college students with the opportunity to work in the unique agricultural greenhouses that are part of the Living with the Land attraction at Epcot. These interns are part of the Agricultural Sciences team that brings the excitement of agriculture to millions of Epcot guests each year!

Responsibilities:
- Maintain a high-quality greenhouse show of over 150 hydroponically-grown food crops from all over the globe. Propagate, transplant, irrigate, prune and harvest a wide variety of plants.
- Provide show-quality maintenance and general cleanup: washing, raking and sweeping greenhouse areas.
- Lead daily informative and interactive guest tours through the greenhouses, labs and aquaculture facility.
- Participate in training sessions, classes and meetings, as scheduled.
- Staff the Behind the Seeds Tour desk at Epcot to promote the tour, sign guests up for the tour, sell plant-related merchandise and answer general guest questions.

Required Qualifications:
You must meet the required qualifications in order to apply for the internship:
- College student or recent college graduate
- Applicable background and/or major in Plant Science, Horticulture, Food Crops, Biology, etc.
- Strong interest in working with food crops in greenhouses
- Ability to interact with Walt Disney World® Resort guests and cast members
- Team player with demonstrated verbal communication skills, work ethic, reliable transportation, and willingness to work on a flexible schedule

Required Materials:
Please have the following documents saved electronically in your personal computer:
- Résumé (outlining all of your required qualifications)
- Cover letter detailing your qualifications and interest
- College transcripts (official or unofficial)
- One professional letter of recommendation (previous industry employers and/or faculty preferred)

Please Note:
You may be contacted after your application has been reviewed to turn in additional support materials.

If you have any additional questions please feel free to email wdw.epcot.science.internship@disney.com.
